Summary of Qualifications:

Experienced and highly skilled in the fields of graphic design and web development, I am dedicated to creating visually captivating and technically seamless solutions. With a proven track record of delivering exceptional results, I bring a unique blend of creativity and technical expertise to every project. As a graphic designer, I have honed my artistic eye and mastered industry-standard design software, allowing me to craft visually stunning designs that effectively communicate messages and captivate audiences. Furthermore, my proficiency in web development empowers me to translate those designs into immersive online experiences, leveraging my knowledge of HTML, CSS, and JavaScript. Additionally, I possess a strong background in IT, with an understanding of network administration, troubleshooting, and system maintenance. Driven by a passion for innovation and continuous learning, I thrive in dynamic and challenging environments, where I can leverage my multidisciplinary skills to create impactful solutions. I completed my **NQF-5 Graphic Web and Multimedia diploma** at Centurion Academy, with specialisation in web development, graphic design and multimedia.
